**End of Smartform:
FINANCIAL INTEREST REPORT**

I have accurately completed my Financial Interest Report (FIR) required by VCU Policy. I understand that I must update my FIR within 30 days upon acquiring or discovering:

- a new financial interest in an entity not previously reported
- an additional interest in a previously reported entity
- new intellectual property that has been disclosed to VCU Innovation Gateway
- new research relatedness with any reported financial interest

Click **FINISH** below to affirm agreement and fully submit the FIR.

When is a FIR Reviewed?

- Upon annual update by the investigator
- Prior to protocol approval and/or prior to award processing
 - Review request sent to COI in Research Program for each COI Investigator's FIR to be assessed for COI/CI in the context of the research
 - FIR must be updated within the most recent update period

Reasons an Investigator May be Contacted

- Update of FIR needed within AIRS
- Question regarding:
 - Unreported financial interest in AIRS (based on OPA comparison or other information)
 - Relatedness of a financial interest to the research project being reviewed
 - Details/clarification of a financial interest
 - Use of intellectual property in a research project
- Issued a management plan
- Follow-up on a previously issued management plan
- Non-compliance with a management plan

COI in Research Program Responsibilities

- Review FIR submissions to identify COI/CI
- Develop and implement management plans for COI/CI
- Report FCOI to PHS sponsors, other federal agencies as required, and other sponsors upon request
- Verify with subrecipient institutions the existence of a policy that meets the PHS *Promoting Objectivity in Research* requirements; if none, subrecipients use the VCU AIRS
- Review unreported/unreviewed financial interests and, if necessary, implement a management plan within 60 days
- Upon a determination of non-compliance:
 - The research project and the investigator's activities are retrospectively reviewed within 120 days of the discovery of non-compliance with the VCU *COI in Research* policy to determine if there was bias in the design, conduct, or reporting of research.
 - If bias is found, the PHS sponsor is notified promptly and a mitigation report is submitted.

Summary

- A COI requiring management can arise in situations in which financial or other personal considerations have the potential to compromise or bias professional judgment and objectivity.
- Report all financial interests in the AIRS on an annual basis and within 30 days of acquiring a new financial interest or additional remuneration for a reported interest.
 - Interests should be reported for the last 12 months from the date of the report.
- Preemptive discussion about a foreseen COI is encouraged. Contact AIRS@vcu.edu to begin a conversation with the COI team.
