- Facilitating RED Team Reviews

Upcoming Workshops

Project Management for Grant Writing

Wednesday, September 9, 2020 12-1pm

This workshop will cover strategies for putting together your grant application on schedule and with ample time for reviewing and editing. We will share specific project-management tools to help you get organized around writing, refining, and submitting your proposal.

Introduction to Grant Writing

Tuesday, September 15, 2020 12-1pm

We will present an overview of grant writing for faculty researchers. Learn about how to express your research ideas with clarity and persuasiveness. Hear about the most critical components of a successful grant application.
